From: Commanding Officer
To: AR Barry R. FONE, USN, 491-72-5365

Subj: Letter of Commendation

1. You are hereby congratulated for superior scholastic achievement in completing an intensive course in Basic Electricity and Electronics 69 hours ahead of your projected time with a high degree of excellence.
2. In completing this course of instruction, you demonstrated your superior ability, furthered your own education by hard work and conscientious effort and did so at great savings in man-hours and training time. Because of your initiative and academic abilities you were able to complete this course in 69 hours less than the projected time, thereby saving this command and the United States Navy valuable time and money. Your efforts have contributed significantly to the overall efficiency of the Basic Electricity and Electronics School and Naval Air Technical Training Center Memphis. This achievement reflects great credit upon yourself and the United States Navy.
3. Your outstanding personal appearance and your dedicated performance reflect great credit upon yourself and are in keeping with the highest tradition of the United States Navy.

A handwritten signature in dark ink, appearing to read "J. A. Burnett", is written over a large, faint, circular watermark of the Navy seal in the center of the page.
